Q&A

Do I have to share my images?

Not at all! All sessions are 100% confidential and the images will never be shared without your prior consent. If you choose to allow them for promotional use, I will send over a photo release after your session.

What about cellulite, bruising and pimples?

Retouching is part of my editing process. In your final images I will smooth and brighten skin. I won't be able to change the shape of your body but I can enhance your natural beauty!

HELP! I'm not a model - how will I pose?

This is the most common worry amongst my clients. It's easy to be intimidated by this type of shoot in the beginning. However, everyone finds their inner goddess; I promise! I will help guide you through everything, from posing to outfit choices.

Speaking of outfits... how many?

I suggest 2-3 for a variety of looks! Remember that it doesn't always have to be lingerie. Bringing hats and accessories is always welcome!

Do you offer payment plans?

Totally! Spending money on this should not burden you! I'm here to help make this experience the best one possible. I accept Venmo, PayPal, and PayPal credit. You can pay your deposit and choose to break up payments in a variety of ways! Final images are delivered when paid in full.

How long does it take to get my images?
